Electoral Rolls - Madras Legislative Assembly - Panemangalore constituency - Transfer of rolls from Mangalore taluk office to Belthangady taluk office - Transport charges - Expenditure - Sanctioned.

Copy of Ref.C.No.127/54, dated:21-12-54, From
Sri H.G. Kedilaya, Block Development Officer, Byndoor.
To The Collector of South Kanara, Mangalore.

Sir,

SUB:- NATIONAL EXTENSION SERVICE:- Byndoor Block - Veterinary and Live Stock First Aid Centre at Shankaranarayana run by the Community Project Department - Continuance under the National Extension Service - Report Submitted.

REF:- 1) G.O.No. 1024 Public (R.D.P.), Department, dated:2-12-54.
2) From the Project Executive Officer, Mangalore, letter Ref.5448/54.E, dated:13-12-54.

A veterinary and Live Stock First Aid Centre is being run by the Community Project Department at Shankernarayanam. It is in charge of a veterinary and Live Stock Inspector. Consequent on the transfer of 10 villages including the village of Shankarnarayana from the Community Project Area, to this Block ordered in the G.O. cited first, it is learnt, Project Executive Officer, Mangalore, has proposed to close down the first Aid Centre at Shankaranarayana and to shift the head-quarters of the Live Stock Inspector from there.

2/-In this connection I submit that the first Aid Camp at Shankaranarayana is quite essential at that centre, as it serves a large number of villages of Wandse Firka lying within this Block. Excepting some 3 or 4 villages all other villages of Wandse Firka are surrended by rivers and it will be quite difficult and inconvenient for the residents of those villages to take their cattle for treatment either to Coondapur or to the Veterinary Dispensary to be opened at Byndoor after covering a long distance and crossing the rivers. Hence, if the First Aid Centre at Shankaranarayana is closed down it may result in much hardship to the villagers of Wandse Firka. It may also create an adverse impression among the villagers if the existing facilities of treatment to cattle are withdrawn on the eve of transfer of the area to the National Extension Service.

3/-The details of expenditure required for the maintenance of the FirstAid Centre are given below:-

One Live Stock Inspector - Pay.	Rs.60/-	Per Month.
D.A.	22/-	
Average T.A.	30/-	
Contingencies clearing Charges etc.	3/-	
Total.	115/-	

The total estimated expenditure till the end of March 1955 will be about Rs.500/- including the estimate cost of medicines. The funds required may be met out of this allotments to this Block under 'Grants-in-aid'.

4/-I therefore submit that the Veterinary and Live Stock First Aid Centre at Shankaranarayana may be ordered to be continued under the National Extension Service Scheme and the Project Executive Officer, Mangalore, may be asked not to close down the centre.
